MASTER CHEFS!

Just before half-term in February, our lunch providers Chartwells delivered a 'Ready, Steady, Cook' style cooking event to the whole school. During this, pupils were reminded about the 'Eat-well' plate and the importance of having a balanced diet.

To add some extra spice to the event, some Year 6 pupils worked alongside Mr. Cuevas and Miss Qershori to produce a healthy, tasty dish from ingredients given to them. The hall was awash with the delightful smell of frying onions, garlic, peppers and herbs. Both teams produced wonderful dishes, however our panel of judges decided that Mr. Cuevas's team (*pictured above on the left*) were the overall winners. Well done to everyone who took part.

WORLD BOOK DAY

On Thursday 1st March, both children and staff will be celebrating World Book Day. Throughout the day the children will take part in lots of fun and exciting activities, which all link to reading and promoting reading for pleasure.

The theme of this year's World Book Day is 'Share a Story' and in participation with this we are going to start our celebrations for the day with a breakfast in the school hall where you can share stories with your child/children. The breakfast will start at 8:15 am and finish at 8:45am on Thursday 1st March 2018. We look forward to celebrating World Book Day together and hope to see you there!

Throughout the day the children will take part in many exciting activities. EYFS and KS1 will receive a special visit from a surprise character who will share a story with them, KS2 will take part in a book quiz and all children will develop their creativity skills as they make their own hat / headband for our World Book Day assembly.

Details of all the clubs starting Monday, 26 February are included as an additional attachment with this Newsletter.
