Stay & Play in the Early Years

Once again parents, grandparents and other family members enjoyed a successful stay and play in our Nursery and Reception classes. They joined in with various activities ranging from singing songs and decorating biscuits to playing outside with the children. Thank you to everyone who was able to attend. We hope you enjoyed it as much as the children did!

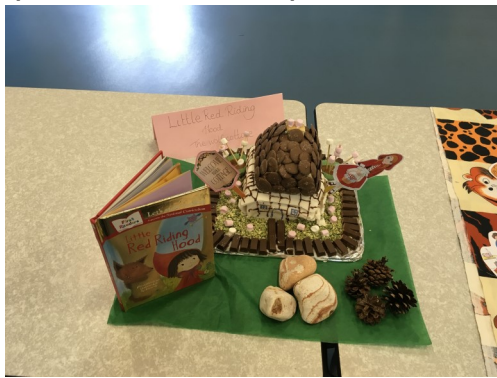

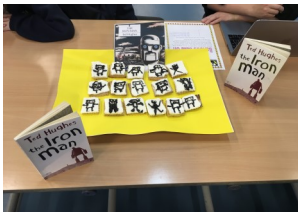

FAIRTRADE BAKE OFF

As part of Fairtrade Fortnight 2018, children from Nursery to Year 6 took part in a 'Fairtrade Bake Off'. This year, the Fairtrade Committee decided that all the bakes would have to be based on a book that the year group have been studying in class. All year groups produced very creative and entries. The children especially enjoyed baking and decorating them.

Congratulations to Nursery for winning the Pupils' Choice Award with an entry based on the story of Little Red Riding Hood!

THE ENTRIES FROM ACROSS THE SCHOOL

PTA CAKE SALE

A big thank you to all those who donated cakes for our recent PTA cake sale. The event raised £105.12.

Eco Schools Green Flag Award

During this academic year, the Eco Committee have been working hard to complete the application for the Green Flag Award alongside Miss Mills-Baines.

After all their hard work, we are proud to report that Barlows has yet again achieved the Green Flag Award. Pupils organised and conducted a range of activities, focusing on the nine eco school topics as part of their role as an Eco Representatives. This included meetings, litter picking, data collecting, informative poster competitions and undercover energy walks around the school. The committee were great representatives for the school and all their hard work has brought about this fantastic achievement.

Congratulations Eco Committee!

Y5 TATTON PARK TRIP

As part of their Anglo Saxon History topic, Year 5 visited Tatton Park. They spent the day learning about how Anglo Saxons lived - identifying the best piece of land to settle on, making bread, learning about trading items they found and made and training with Anglo Saxon shields. The history of Tatton Park as an Anglo-Saxon settlement was also covered. The pupils were great ambassadors for the school.

Have a wonderful Easter and see you on **Monday 9th April.**
