	Miss Hughes' group: sl,sm,sp,sc,sk	taught Miss Hughes' group: sn,st,consolidating all phase 4 taught	- Teach er (stressed) (term) Miss Horlick's group – ay, ou, ie Miss Qershori's group – aw,ew,oe Miss Hughes' group: tw,pr,mp,nd,nk	(head) Miss Horlick's group – wh, ph ea, oy, ir Miss Qershori's group – au, a-e, e-e Miss Hughes' group: tw, pr, mp, nd, nk, nt	ea (beat) - Revisit Phase 5 e-e (these) Miss Horlick's group – aw, ew, oe Miss Qershori's group – i-e, o-e, u-e Miss Hughes' group: ft, lt, pt, xt shr, thr, scr, str, nch	group – Teach alternative Pronunciations for graphemes - Revisit Phase 3 ow (cow) - Teach ow as oa (snow) - Revisit Phase 3 er (unstressed) (hammer) - Teach er (stressed) (term) Miss Hughes' group: ou,ie,ea	

Linking knowledge across subjects

Summarise where you will link knowledge across different subjects

Our theme for this term is Animals and their habitats. Through our science lessons we will learn about different animal types, this will then link to our geography lessons which will focus on animals from different areas of the world. Through our English non-fiction unit we will also be able to focus on habitats within a local environment. This will allow the children to link their learning to their own experiences. We have the opportunity to host a fundraiser as part of our PSHE unit, we will be aiming to link this to our learning by raising money for an animal charity which will be chosen by the children.

Learning about Liverpool

If applicable, summarise how this topic will develop pupil's knowledge on the city of Liverpool!

As part of our PSHE, we are hosting a fundraiser for a local Liverpool animal charity.
