A VISIT TO LIVERPOOL TOWN HALL

In early October, our Year 4, 5 and 6 School Council representatives attended Liverpool School's Parliament at the Town Hall. They had the opportunity to meet some of the key decision makers in our city, asking questions and putting forward suggestions on a range of topics that included: health, education, the environment and transport.

On the topic of transport, our pupils asked why Liverpool does not follow the same system as London, with public transport being free for all children under the age of 11. Whilst the funding arrangements for public transport in London differ from those in Liverpool, representatives from transport promised to look into this further.

Recognition from Blue Peter

Lydia-Lily in Year 3 has been giving her own time outside of school to improve how items are recycled at home. As well as improving recycling at home, Lydia-Lily has been collecting discarded rubbish around the local area and ensuring as much of it as possible gets recycled. Blue Peter were so impressed with her achievements, they sent Lydia-Lily a special letter that contained a BLUE PETER BADGE! We are sure that you will agree, this is wonderful recognition for someone who does what she can to give back to her local community and improve the environment as a whole.

A Fundraising Hero

Parting with much loved clothes and books can be very difficult for adults. When you are 9 years old this is even harder! However, that is exactly what Pippa in Year 5 did in order to raise money for the Macmillan Cancer Charity.

Pippa set up her own stall at Emmanuel Church, selling many of her much loved toys, books and clothes during a fund raising coffee morning. Her generosity raised £148.35 for the charity. She is a wonderful example to us all.
