## Year 5 and Year 6 Projects

A huge well done to all our Year 5 and Year 6 pupils who put on a wonderful project display in our hall last week. It was clear from the exhibits and from talking to the children, how much planning, hard work and learning alongside family members had gone on. It was also pleasing to observe the children talking to a range of adults about their work with such confidence. From cakes to catapults, the Titanic to a banana powered clock, we had it all!

## COMMUNITY EVENTS

The A Team is for children with additional needs, children who really love football but for many reasons find it difficult to join a team.

Their aim is to provide a safe and comfortable environment for the children to gain skills in football and to improve social skills, confidence, friendships and to make football fun again.

They are looking for more team members aged between 5 and 15. The sessions are every Monday at 5pm for 1 hour, at a cost of £3.50 per session.

Further details are on the advert.
