Chinese New Year at Barlows: The Year of the Rat

To coincide with Chinese New Year on 25th January, pupils at Barlows had a special Chinese New Year assembly led by Miss. Qershori. Pupils brought in a variety of items from home that are important during new year celebrations, such as red envelopes used to present gifts of money. The colour red is important as it symbolises good luck and prosperity for the year ahead. Thank you to all the families who donated items for the assembly.
