HANDS ON SCIENCE IN YEAR 6

In helping bring knowledge to life, Year 6 took part in some Science lessons with a difference. Over the past several weeks, pupils have been learning about the blood circulation system and the important role the heart plays in this. In order to explore the anatomy of a heart in greater detail, pupils had the opportunity to dissect a lamb's heart.

SCIENCE

PTA FUNDING

Sphero has arrived at Barlows!

Our Digital Leaders couldn't wait to try out the new Spheros in their meeting this week.

The Spheros, which were funded by the PTA Fundraising events, offer an exciting opportunity for pupils to put their coding skills to the test as they collaborate and foster creativity using these fantastic programmable robots.

Our Digital Leaders put them to the test with a super game of 'Sphero Football', coding Spheros while applying their scientific understanding of forces, to score in their opponents goal

Thank you to our fantastic PTA for organising a range of events to raise funds to purchase this exciting computer equipment. And a big thank you to all our families for supporting the fundraising events throughout the year.

We look forward to learning what else our Sphero robots can do as we implement their use in the curriculum.

Department
for Education

Coronavirus

Further to the message sent out during the week, a reminder that the Department for Education have set up a service for parents and carers who may have any questions regarding the Coronavirus.

Phone: 0800 046 8687

Email: DfE.coronavirushelpline@education.gov.uk

Opening hours: 8am to 6pm (Monday to Friday)

Additional information from Public Health England can be found at: <https://www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response>

We will keep you updated with any further information that we receive.

PLAYED 3 WON 3 SCORED 9 CONCEDED 0

These are the impressive statistics for our girls' football team, who last week entered another LSFA Northern Hub competition. The wet and windy conditions did not deter the team who won all three of their matches and did not concede a single goal along the way. I am sure you will join us in congratulating them!

**Have an enjoyable
weekend**
