## Friend or Foe by Michael Morpurgo

## **Chapter 3 Writing Task**

Write a letter from David telling his mother all about his time in Devon so far. Try and refer to:

- Mr Reynolds and Ann
- Life on the farm
- School
- How you're being well-behaved and brave
- Think about what questions you'd like to ask mother too.

The letter you are writing is an informal letter. Informal letters are written to close acquaintances of the writer, such as their friends and family. Since they are written to close relations, the letters have an informal and personal tone. Casual language is used while writing informal letters.
