<p><b>The Three Little Pigs</b></p> <p>This week I would like the children to read, listen to or watch the story of the Three Little Pigs.</p>  <p>Can your child retell the story in their own words? Can you help them use different objects in the home to support their imaginative play linked to this story?</p>	<p><b>Name writing and Letter Formation</b></p> <p>Can your child write their name? Once they have learnt to write their first name, please help them become familiar with their surname. When your child can write both names work on the formation of the letters. The link will help with the rhymes and formation of the letters. </p> <p><b>Challenge:</b> If your child is already able to do this please work on writing 3 letter words that your child can sound out using the phonemes <b>s,a,t,p,i,n</b> e.g. sat, pin, tap, nap. If your child struggles with letter formation you could write the individual letters on pieces of paper for your child to put in order to build the word.</p>	<p><b>Who Has More?</b></p> <p>This week who has more? Can you use objects in the house e.g. two plates and on each plate put a different amount of objects. Questions to ask: Which plate has more on it? How do you know? Can you count and check? Which number is bigger? Which number is smaller? How many objects altogether?</p> <p>Watch this Numberblocks clip to support your child's understanding.</p>
