

LO: TO CREATE A MENU

The background image is a composite. On the right side, there is a large, close-up, stylized illustration of a robot's head, rendered in a metallic, textured style. The robot has a rounded top, two circular eyes, and a rectangular mouth. On the left side, there is a smaller, more detailed illustration of a steam locomotive, likely from the early 20th century, moving across a landscape. The overall color palette is muted, with greys, browns, and a touch of blue for the text.
