<p align="center">Reading and Writing</p> <p>Reading: Please click on the link to access the Oxford Owl website. In order to access the book we are reading this week, please register for a free account </p> <p>Please follow the link to read Baboons. After reading the book, please discuss the questions on the back page with your child. </p> <p>Writing: Please use the information you have learnt from reading the book to create an information poster all about baboons. On your poster draw a picture and label the parts of the baboon's body. Try to include five sentences about baboons, remember to use adjectives if you can!</p>	<p align="center">Grammar, Punctuation and Spelling/Phonics</p> <p>Spelling App Activities Login to see the activities set by your teacher. </p> <p>Grammar and Punctuation: Question Marks Please follow the link for a lesson on when to use questions marks. You will find some videos and activities for your child to complete. </p> <p>Phonics: Please follow the link which will take you to a YouTube channel which is hosting daily phonics lessons. Year 1 lessons are at 10.30am, with an additional lesson at 11am focusing on blending for children who need a little more support. These videos will be available for you to catch up with later at a time that suits you. </p>
--	--

<p align="center">Mathematics Times Tables / Number work</p> <p>Mathletics Activities Login to see the activities set by your teacher. </p> <p>Number Activity: Counting in 2s Please follow the link for a maths lesson on counting in 2's. Please watch the videos and complete the activities on the page. If you do not have a printer, you can write the activities instead. </p> <p>Numbots Practice addition and subtraction. </p>	<p align="center">Science</p> <p>Animals Including Humans: Labelling the parts of an animal</p> <p>Please follow the video link to watch a video recalling some animal body parts. In the second link you will find pictures of animals. Please use the word bank to label the body parts of the animals. If you do not have a printer, please discuss the body parts with your child instead. </p>	<p align="center">PE</p> <p>PE with Joe Wicks. Take part in 30 mins of PE with Joe Wicks every weekday at 9am. </p> <p>Dance with Oti Mabuse Learn a new dance based on a children's film with Oti Mabuse each day at 11:30am </p>
--	--	---

<p align="center">Topic: History/Geography/ RE / Music / Art / DT</p> <p>History: Please read the information to your child and watch the videos. Please then discuss this with your child and complete the quiz. Either write 5 sentences about Neil Armstrong including facts you have learnt or create a poster which includes some information about him. </p> <p>Art: Please follow the link for a drawing lesson with illustrator Rob Biddulph on how to draw a baby dinosaur. </p>	<p align="center">PSHE</p> <p>PSHE: Emotions Ask your child to name 5 emotions/feelings. Discuss with your child what makes them feel this way. If it is a negative emotion e.g. 'worried' or 'upset', please discuss with your child what they can do to feel better.</p>
--	--

<p align="center">Computing / Online Safety</p> <p>Computing: Please follow the link for an activity that will teach children to create and sequence algorithms to programme their human robot to move. </p>	<p align="center">Family Activity</p> <p>British Sign Language: Follow the link and have a go at learning your name in British Sign Language. See if you can spell one of your family member's names too! </p>	<p align="center">Wellbeing Task</p> <p>Yoga: Please follow the link to find a yoga video. </p> <p>Drawing: Draw a picture of what you can see in your garden or out of your window.</p>
