

## **Amazing Inventions Comprehension**

### **Focus: Summarising and Forming Opinions**

#### **Summarising Non-Fiction**

- 1) Follow the instructions to help summarise Screen 2.
  - a. Take note of the main title and subtitles on the page.
  - b. Find the most important sentence in each subtitled section.
    - i. Try to summarise the key points in each section with ten words or less. (see the bottom of the page for a template)
  - c. Check the extra information icons for easily to miss details.
  - d. Use a maximum of 3 sentences to summarise the information on the page.
- 2) Now summarise Screens 5 and 6.
  - a. Discuss:
    - i. the need for these inventions,
    - ii. the impact of these inventions,
    - iii. what life would have been like if they had not been invented.

#### **Forming Opinions with Evidence to Support**

See the additional text icon (marked with a 'T' on page) based on the impact of the World Wide Web on the world.

For each of the activities in the table below, tick the method which would be your preference. Think about the reasoning for each of your choices.

<b>Activity</b>	<b>Method 1</b>	<b>Method 2</b>
Researching for a school project	Visit the library	Use the World Wide Web.
Listen to your favourite song	Wait for them to play it on the radio	Use the World Wide Web.
Catch up with your friends who lives on the other side of the world	Write a letter and send it in the post then wait for a reply	Use the World Wide Web.
Need to find a location	Buy a paper map	Use the World Wide Web

Based on the evidence you have from your answers and reasons for them, answer the following 3 mark question:

***In your opinion, has the invention of the World Wide Web had an impact on day to day life?***
