Amazing Inventions Comprehension

Focus: Structure and Organisation

1) Why are some words such as 'breakthroughs' and 'satellites' in bold?

2) Identify three features of the text, from any page, that are used to attract the audience.

3) On Screen 5, why is an image of Da Vinci's Helicopter included?

4) The author has organised the inventions based on use, how else could they be organised?

5) How does the author use questions to involve the reader?
