

Growing Chocolate

1. Where does the chocolate journey begin?
2. Name four countries where cacao beans are grown?
3. What does the word 'cacao' mean and where does it come from?
4. Write a paragraph to explain how cacao beans get to the chocolate factory? (Think about the different modes of transport that are used)
5. Pictures 1 and 2 have captions written below. Write your own captions to picture 3 and 4.

1 The farmer collects the cacao pods.

2 The pulp and cacao beans are put in wooden boxes.
