

The Adventures of Smartie the Penguin

You might like...

It was late at night and Smartie the penguin was WIDE awake... He was too excited to sleep because tomorrow was his birthday. He was really hoping to be given a new tablet!

The big day came and Smartie had really enjoyed his birthday party. He had saved his most exciting looking present until the end.

“Oh I really hope this is a tablet of my own!” he thought as he began to open it.

Smartie tore off the wrapping paper in a hurry! Mummy and Daddy Penguin had bought him a brand new tablet. Just what he wanted!

"Oh! Thank you,
thank you,
thank you!"

Smartie's parents enjoy using the internet and are always there to help Smartie.

Smartie was allowed to play a game on his tablet once in the morning and once in the afternoon.

Mummy Penguin helped Smartie to find his favourite game and he was off!

Everything was going well and Smartie was having a super time when all of a sudden... something very strange happened.

A picture popped up on to the screen. It was colourful and Smartie didn't know what to do.

“How annoying!” said Smartie. “I’m in the middle of my game. I know, I’ll get rid of the picture by tapping on the red cross.”

Smartie tapped the red cross, but an even bigger picture appeared.

“What is this?” said Smartie. “I don’t remember entering any competitions. I hope mummy and daddy aren’t going to be upset with me.”

Oh no! What happened?

Time to chat

Can you help Smartie make the right decision?

Should he try to fix the problem by himself and get rid of the picture again, or should he ask his parents for help?

Time to cha 

“Help!” cried Smartie. “Daddy, mummy, please help me! Something has gone terribly wrong. I pressed a button and now there’s a funny picture on my screen and I don’t know what it means.”

"Well done Smartie,"
said Daddy Penguin.

"What a SENSIBLE
little penguin you
are!"

Well done for
coming to tell us and
not trying to fix it by
yourself again."

Mummy Penguin was so pleased with what Smartie had done, she taught him a song to help him make sensible choices on the internet in the future...

**Sing with
me!**

**Before you tap
and click...**

**You need to
stop and
think...**

**And TELL
someone!**

Mummy Penguin **deleted** the picture that had popped up and Smartie continued to play on his tablet.
