

Dog with a Log

I wish for a log for a dog, said she
A dog on a log with a friend in a frog
And a tricky and sticky, brown muddy bog
For the dog with a log to cross, said she
For the dog with a log to cross.

Will you take him a rake, said she
Or shake a scattering of stones?
Or claw to his paw or encourage him with bones?
And help the dog with a log, said she
Help the dog with a log.
