Fish in a Dish
Ros Letellier

I wish for a dish full of fish, said she
Some fish in a dish with lashings of mash
And oodles of noodles with simply a splash
Of sauce on the fish in the dish said she
Of sauce on the fish in the dish.

Will you sizzle a steak of hake, said she
Or steam me a smidgen of bream?
Or mussels with Brussels and mustard and cream
And some sauce on the fish in the dish said she
Some sauce on the fish in the dish!
