

The Adventures of Smartie the Penguin

You might like...

It was late at night and Smartie the Penguin was WIDE awake... He was too excited to sleep because tomorrow was his birthday. He was really hoping to be given a new tablet!

The big day came and Smartie had really enjoyed his birthday party. He had saved his most exciting looking present until the end.

“Oh I really hope this is a tablet of my own!” he thought as he began to open it.

Smartie tore off the wrapping paper in a hurry! Mummy and Daddy Penguin had bought him a brand-new tablet. Just what he wanted!

Oh! Thank you, thank you,
thank you!

Smartie's parents enjoy using the internet and are always there to help Smartie.

Smartie was allowed to play on his tablet once in the morning and once in the afternoon.

Mummy Penguin helped Smartie to get online and he was off!

Smartie was on his tablet playing his favourite game, Snowcraft. He was getting better and better.

All of a sudden, the tablet beeped, and a message appeared on the screen. Another player was trying to talk to Smartie. Smartie felt quite excited.

The other player continued to talk. "Where do you live?" she asked. Smartie wanted to reply because he wanted to be friendly. But he was also beginning to feel worried.

What should Smartie do?

Should he reply to the message and talk to the other player or should he tell Mummy and Daddy instead?

“Daddy Penguin!
Mummy Penguin!”
called Smartie.

“Someone is
trying to talk to
me and I don’t
know them. What
shall I do?”

“Oh Smartie,
you are so
SENSIBLE,” said
Daddy
Penguin.

“The other player was asking for your personal information. You must keep your personal information safe online and never share it with anyone.”

“What other things are my **personal information**?” asked Smartie.

“Your **name**, **date of birth**, **home address**, **school address**, **email address**, **phone numbers** and **passwords** are all personal information,” replied Daddy Penguin.

"If you're not sure about someone who is talking to you, or they make you feel worried, then always tell us. Not everybody tells the truth on the internet, and because you don't know this person in the real world, they are still a stranger.

I will show you how you can stop this player from speaking to you again."

From that day on, Smartie the Penguin always knew how to be safe when using his tablet and playing on the internet!

If anything happened that made him feel worried, upset or confused he didn't try to fix things by himself...

He stopped...

thought about what to
do...

and always asked an adult
for help.
