Writing Activity

Ottoline and the Yellow Cat- Chapters 4 and 5

If necessary re-read chapter 4 to familiarise yourself with the story so far then continue to read chapter 5. This chapter focuses on Mr Munroe, how he came to live in the Pepperpot Building and his friendship with Ottoline. Mr Munroe is feeling thoughtful as he climbs up to the roof and reflects on how life was before in Norway. Write a diary entry from the point of view of Mr Muroe that night. Try to incorporate some of the information you have just read in the chapter, such as how might have felt about the weather and how his feelings changed at the end of the chapter when he saw Ottoline again. Don't forget to click on the link on the planner and look at some of the diary entry examples before you start. As you are completing your entry, refer to the writing checklist to ensure you are including the features of a diary entry.
