Ensure you completed the work from your last RE lesson before attempting this task. If you haven't done it yet then have a go at that task first then complete this weeks if possible. See Year 3 Home Learning Planner wc 29 06 20

If you did complete the task from that week then you will need the notes and research about Varanasi for this activity.

Varanasi

Our enquiry question this term has been 'Would visiting the River Ganges feel special to a Hindu and a non-Hindu?' Over the weeks we have begun to explore Hinduism and learnt the importance of the River Ganges. Last lesson you researched the area of Varanasi and this week we would like you to use this information to write two postcards.

The first postcard should be from a Hindu visiting the River Ganges for the first time.

The second postcard should be from a person who is not a Hindu but is visiting the River Ganges for the first time.

The first page of each postcard reads 'Greetings from Varanasi' and includes space for you to draw a picture of the area or stick a picture on that you found through your research. The second page of each gives you space to write a little message. Use the prompts below to help you with both postcards.

When I got to the River Ganges I saw.....

This is important to Hindus because.....

Being here makes me feel.....

Best wishes from.....
