**-ify**

**glorify**    formula    **modify**  
**electrify**    mobile    **notify**

Circle the words which work. Explain which suffix should be added to the words which can't add -ify?

**Formula and mobile cannot add -ify because...**

## Reasoning 1

Krystyna has added the suffix below to each of the words in the word bank.

**-ify**

**glorify**

formula

**modify**

**electrify**

mobile

**notify**

Circle the words which work. Explain which suffix should be added to the words which can't add -ify?

**Formula and mobile cannot add -ify because they would not be correct words. Instead they should be 'formulate' and 'mobilise'.**

## Reasoning 2

Alana is thinking about the suffixes -ate, -ise and -ify. She looks at the three words below.

Alana

The word 'fortune' is the odd one out.

active

fortune

electric

Do you agree? Explain your answer.  
No, she is incorrect because...

## Reasoning 2

Alana is thinking about the suffixes -ate, -ise and -ify. She looks at the three words below.

Alana

The word 'fortune' is the odd one out.

active

fortune

electric

Do you agree? Explain your answer.

**No, she is incorrect because 'active' and 'fortune' can both add the suffix -ate, but 'electric' cannot.**
