

Parents/ Carers,

Please find below some links for you to access recommended reading lists for your child/ children. The lists are divided into year groups therefore, all books are age appropriate and include a range of texts including picture books, fiction and non-fiction.

We have chosen to use The School Reading List website to recommend books to our pupils as the lists are curated and reviewed by a small group of librarians, English teachers and parents who meet in school holidays to discuss books that have worked well with groups of children, new releases and the shortlists for children's literature awards. The reading lists are reviewed and revised monthly to ensure they include current trends appeal to children's interests.

We hope you find the lists useful. Happy reading!
