## SETTLING INTO SCHOOL

It has been wonderful to see the children settling into their new classes and enjoying the different learning experiences taking place. A special warm welcome to all the children joining Barlows for the first time in Nursery, Reception and our other year groups. As the year progresses, we look forward to sharing and celebrating the achievements of the children. We are always keen to celebrate those achievements that happen outside of school, so please feel free to send in photographs and an explanation that we can include in our newsletter.

# Year 1 Collection

Further to the message sent out through Parent Mail, a reminder to Year 1 parents regarding collection at the end of the day. In order to help class teachers dismiss children safely, can you please wait for your child according to the below:

- If your child is in 1 Kerr, please stand to the left of the semi circle.
- If your child is in 1 Carle, please stand to the right of the semi circle.

## COVID-19

Whilst we welcome a return to a more normal school day, the fact remains that Covid-19 continues to be present in the community. Parents should **not** send their child to school if they are displaying any symptoms of Covid-19 and book a PCR test. This will help to reduce the spread of cases in school and ensure that we can continue to operate a normal school day.
