## RETRACING ROMAN FOOTSTEPS

Year 4 took a step back in time when they visited Chester on Monday 1st November, to learn more about what life was like during the time of Roman rule. The Romans founded Chester in AD 70 and it remained an important military base for more than three centuries.

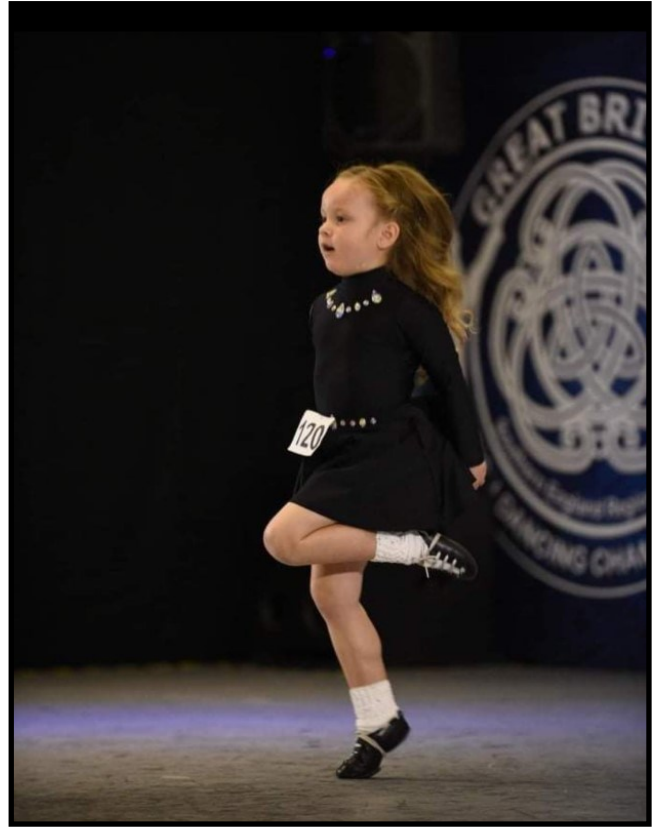

The children had a taster of what life was like in the Roman military as part of a legion and the tactics they used in battle. They also explored Roman beliefs, rituals, artefacts, clothing and much more.

The children thoroughly enjoyed the day which added to their knowledge and experience of life under Roman rule.

# A Dancing Sensation

We have many talented children at Barlows, and Nancy from Reception is no exception. During the half-term holiday, Nancy competed in the Great Britain Irish Dancing Competition and finished in 2nd place! We are all very proud of you Nancy! We hope there is plenty of room on the trophy shelf at home, as we are pretty sure there will be plenty more trophies to come!

## Year 3 Footballing Success!

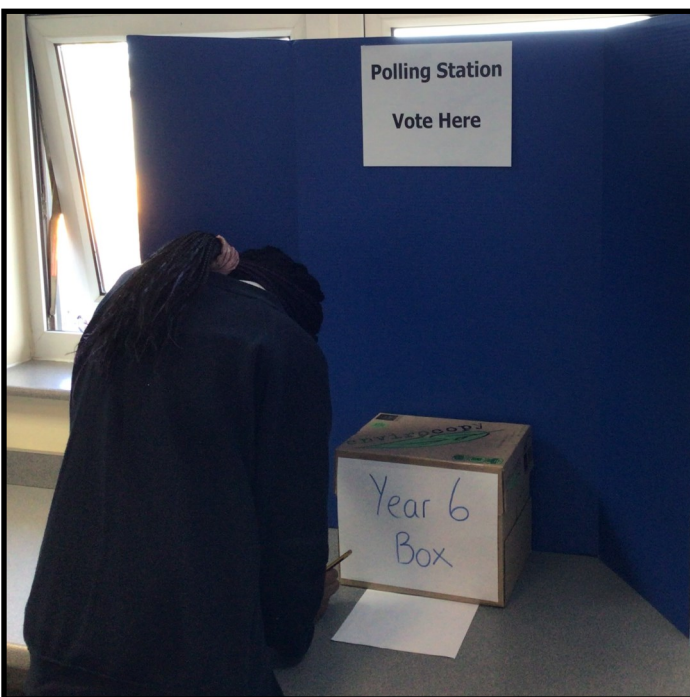

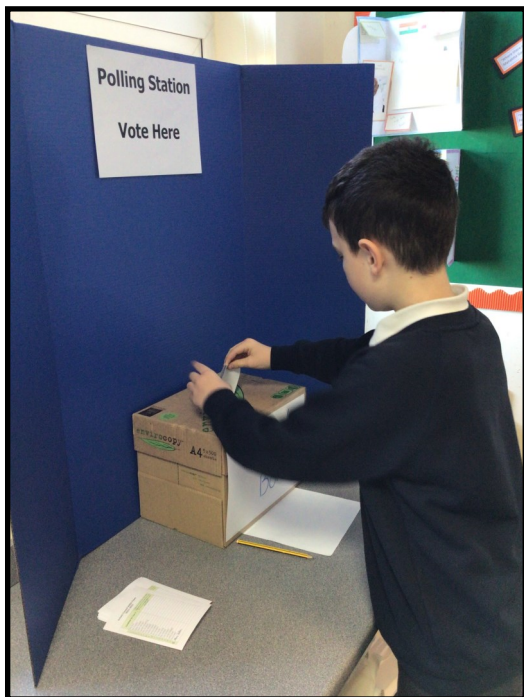

Congratulations to our Year 3 football team who entered and won the Liverpool School Sports Partnership competition just before half-term. It was a superb display from all of the team who will now go on to compete in the City Championships!

# Teaching Democracy

As part of our work on teaching the children about democracy, this week saw School Council elections taking place. Pupils learnt about the voting system and its function in democratic societies. To give them real life experiences of a voting system, pupils then took to the voting booths to elect our new school councillors. We will announce the results in due course!
