A Few Reminders

Attendance - Welfare Calls and Visits

Regular attendance is crucial for the academic and social development of our children; therefore, we kindly request your cooperation in ensuring that your child attends school consistently. Should your child be absent, we want to assure you that our school staff are dedicated to supporting families and will be keeping in touch during this time.

As part of our welfare procedures, a member of our staff may conduct a home visit to check on the wellbeing of your child and your family. This initiative is designed to foster a supportive relationship and to ensure that our children receive the care they need during their absence from school. We trust that you will treat our staff with kindness and respect as they carry out these important duties.

Please be aware that any family member behaving inappropriately towards our staff, whether on or off the school premises, could face serious consequences. Such actions may necessitate reporting to the police or local services and could result in a ban from the school site. We value a positive and respectful community, and it is imperative that we all contribute to maintaining a safe environment for our pupils and staff alike.

Thank you for your understanding and support in this matter.

Attendance - Holidays in Term Time

Attendance for all pupils remains a high priority. Please note, we are unable to authorise holidays in term time.

Holidays taken in term time will be marked as unauthorised absence and may incur a penalty notice issued by the Local Authority.

Preloved Uniform

If you have any clean preloved uniform in good condition that you would like to donate to the school preloved uniform shop, please pass it in to the school office.

Punctuality

Doors open at 8:45am with lessons starting promptly at 9:00am. Registers close at 9:00am.

Please ensure your child arrives at school in time to be through the door **before 9:00am**, to ensure they are in class on time.

Doors must close at 9:00am prompt to enable support staff to arrive to lessons on time.

Pupils entering through the main entrance from 9:00am will be marked late. Any late pupils must be escorted to the main entrance by their adult, in order to ensure they arrive safely and have their attendance registered.

Parking

Thank you to the many parents and carers who have supported us in trying to keep our school car park safe, by not using it at all for parking.

Unfortunately, we still have a small number of parents/carers who continue to try to use the school car park for their own purposes which has been captured on CCTV. **This is not permitted - by doing so you are risking the safety of others.**

The car park is for **staff only**. It is not permitted for parents / carers to drop off or collect from the car park. This includes **not** being used for Breakfast Club, morning Club or After School Club.

If you are dropping off at the Children's Centre Nursery drop off zone, you must exit the car park to drop off at school.

Please do not attempt to use the car park, as doing so causes unnecessary danger to others - including the children of Barlows Primary School. It also prevents staff from accessing their workplace safely.

Thank you for your support with this important matter.
