### 3. Definitions

For the purposes of this policy, the school will define "serious unacceptable behaviour" as any behaviour which may cause harm to oneself or others, damage the reputation of the school within the wider community, and/or any illegal behaviour. This will include, but is not limited to, the following:

- **Discrimination** – not giving equal respect to an individual on the basis of age, disability, gender identity, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation
- **Harassment** – behaviour towards others which is unwanted, offensive and affects the dignity of the individual or group of individuals
- **Vexatious behaviour** – deliberately acting in a manner so as to cause annoyance or irritation
- **Bullying** – a type of harassment which involves persistent personal abuse or persistent actions which humiliate, intimidate, frighten or demean the individual being bullied
- **Cyberbullying** – the use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature
- Possession of legal or illegal drugs, alcohol or tobacco

- Possession of banned items
- Truancy and running away from school
- Leaving the classroom or building without permission
- Refusing to comply with disciplinary sanctions
- Theft
- Verbal abuse, including swearing, racist remarks and threatening language
- Fighting and aggression
- Persistent disobedience or disruptive behaviour
- Extreme behaviour, such as violence and serious vandalism
- Any behaviour that threatens safety or presents a serious danger
- Any behaviour that seriously inhibits the learning of pupils
- Any behaviour that requires the immediate attention of a staff member
- Graffiti or vandalism
- Setting off the school fire alarm without due cause
- Disruption on the school minibus or educational visits including but not limited to removal of seatbelt without permission, causing distraction, not following instructions.
- Disruption on public transport

For the purposes of this policy, the school will define “low-level unacceptable behaviour” as any behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to, the following:

- Low-level disruption and talking in class
- Failure to complete classwork by refusal or distraction
- Rudeness or disrespectful responses to staff
- Lack of correct equipment for example refusal to wear correct school uniform or PE kit
- Bringing items into school that are not permitted for example but not limited to: unauthorised fidgets, bags, personal belongings not required for school, pencil cases, jewellery outside of the school’s uniform policy ( unless given prior approval by a member of the Senior Leadership Team)
- Refusing to complete homework, incomplete homework, or arriving at school without homework including reading and spellings
- Disruption on public transport
- Bringing a mobile phone into school without school permission (currently only Year 6 pupils who walk home alone are granted permission with the appropriate letter).
- Use of mobile phones on site without permission from a senior leader, including before and after school, leaving them switched on in school, not handing mobile phones in at registration. (Currently only Year 6 pupils who walk home alone are granted to bring a mobile phone into school with parental permission with the appropriate letter. Pupils must follow the same guidance and hand these devices in upon entering school premises).

“Low-level unacceptable behaviour” may be escalated to “serious unacceptable behaviour”, depending on the severity of the behaviour.

#### **4. Staff induction, development and support**

All new staff will be inducted clearly into the school’s behaviour culture to ensure they understand its rules and routines and how best to support all pupils to participate in creating the culture of the school. Staff will be provided with bespoke training, where necessary, on the needs of pupils at the school to enable behaviour to be managed consistently.

The SLT will consider any appropriate training which is required for staff to meet their duties and functions in accordance with this policy, including on understanding matters which may affect a pupil’s behaviour, e.g. SEND and mental health needs.

Members of staff who have, or are aspiring to have, responsibilities for leading behaviour or supporting pupil wellbeing will be supported to undertake any relevant training or qualifications.

Staff will know where and how to ask for assistance if they're struggling to build and maintain an effective culture of positive behaviour.

Staff voice will be considered when the school develops and refines its behaviour policies and procedures.

The Behaviour and Attitudes Lead (Assistant Headteacher) will review staff training needs annually with the Headteacher and SLT, and in response to any serious or persistent behaviour issues disrupting the running of the school.

## 5. Social, emotional and mental health (SEMH) needs

To help reduce the likelihood of behavioural issues related to SEMH needs, the school will create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The school will promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** – the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing

All staff will be made aware of how potentially traumatic adverse childhood experiences, including abuse and neglect, can impact on a pupil's mental health, behaviour, and education. Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The school's SEMH Policy outlines the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

## 6. Managing behaviour

Instances of unacceptable behaviour will be taken seriously and dealt with promptly. Staff will respond promptly, predictably and with confidence to maintain a calm, safe learning environment. Staff will consider afterwards how to prevent such behaviour from recurring.

The Behaviour and Attitudes Lead (Assistant Head) will keep a record of all reported incidents to help identify pupils whose behaviour may indicate potential mental health or safeguarding problems. All relevant staff will be alert to changes in a pupil's behaviour that could indicate the pupil needs help or protection.

Pupils will be made aware of the pastoral support structures in place to help them manage their behaviour and how to engage with those structures when needed.

Support, such as targeted discussions with pupils, a phone call with parents, and inquiries into circumstances outside of school by the DSL/Behaviour Lead, will be provided alongside the use of sanctions to prevent the misbehaviour recurring. Staff will use their professional judgement and experience to determine what is appropriate and reasonable using the School Behaviour Chart (see appendix). Please refer to the Barlows Primary School Behaviour Chart (Appendix) for a full list of sanctions to be considered and applied.

Where a pupil's misbehaviour is causing significant disruption or is deemed serious enough by a staff member, the following procedures will be followed:

- The pupil is sent to the Behaviour and Attitudes Lead.
- The Behaviour and Attitudes Lead investigates the incident and decides whether it constitutes unacceptable behaviour in line with the School Behaviour Chart.

- Where deemed necessary, e.g. after other behavioural strategies in the classroom have been attempted or the behaviour is so extreme as to warrant immediate removal, the pupil will be removed from the classroom – the Behaviour and Attitudes Lead will determine the period the pupil will be removed from the classroom, as well as any additional sanctions
- The Behaviour and Attitudes Lead will inform the pupil's parents on the same day, where possible, following a decision to remove their child from the classroom, to discuss the incident

Following repeated incidents of unacceptable behaviour or incidents that warrant consideration under the suspension and exclusions policy, the following sanctions will be implemented:

- The headteacher will consider whether the pupil should be suspended, in line with the school's Suspension and Exclusion Policy, and will determine the length of the suspension
- Although unacceptable behaviour does not necessarily mean a pupil has SEND, an assessment may be considered to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour
- Where a pupil is identified as having SEMH-related difficulties, SEND support will be reviewed and any appropriate support identified.
- Where SEND is not identified, but the headteacher determines that support is still required for the pupil, an Individual Behaviour Plan may be created to outline the necessary provisions in place

Following further or more serious incidents of unacceptable behaviour, the following sanctions will be implemented:

The headteacher will consider whether a permanent exclusion is necessary, in line with the school's Suspension and Exclusion Policy, alongside alternative options such as a managed move or off-site direction to improve behaviour.

For disciplinary sanctions to be lawful, the school will ensure that:

- The decision to sanction a pupil is made by a paid member of school staff, or a member of staff authorised to do so by the headteacher.
- The decision to sanction a pupil is made on the school premises or whilst the pupil is under the charge of a member of staff, such as during an educational trip or visit.
- The decision to sanction a pupil is reasonable and will not discriminate on any grounds, e.g. equality, SEND or human rights.

The school will ensure that all disciplinary sanctions are reasonable in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs, any SEND, and any other contributing factors, e.g. bullying, safeguarding or home life issues.

## **7. Prevention strategies, intervention, and sanctions for unacceptable behaviour**

This section outlines the school's strategies for preventing unacceptable behaviour and initial interventions, minimising the severity of incidents, and using sanctions and support effectively and appropriately to improve pupils' behaviour in the future.

### **Initial interventions**

A range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of more severe sanctions will be used. Support will consider the pupil's specific needs and may be delivered

outside of the classroom, in small groups or in one-to-one activities. A system will be in place to ensure relevant members of the SLT and pastoral staff are aware of any pupil that is:

- Persistently misbehaving.
- Not improving their behaviour following low-level sanctions.
- Displaying a sudden change in behaviour from previous patterns of behaviour.

Examples of initial interventions to address misbehaviour will include, but are not limited to, the following:

- Frequently engaging with parents
- Providing mentoring and coaching
- Behaviour report cards in line with the School Behaviour Chart
- Behaviour target cards as a supportive measure to improve behaviour which may be in small steps
- Long-term behaviour plans
- Pupil support units (where these exist)
- Engagement with local partners and agencies
- Where the pupil has SEND, an assessment of whether appropriate provision is in place to support the pupil, and if the pupil has an EHC plan, contact with the LA to consider a review of the plan

A multi-agency assessment, such as an early help assessment, that goes beyond a pupil's education will be considered where serious concerns about a pupil's behaviour exist.

### **Behaviour curriculum**

Positive behaviour will be taught to all pupils as part of the behaviour curriculum, in order to enable them to understand what behaviour is expected and encouraged in line with the school values and what is unacceptable. Positive reinforcement will be used by staff where expectations are met to acknowledge good behaviour and encourage repetition. The behaviour curriculum will focus on defining positive behaviour and making it clear what this looks like, including the key habits and routines required by the school, e.g. lining up quietly in register order, following recognised staff hand signals etc.

Routine will be used to teach and reinforce the expected behaviours of all pupils. Appropriate and reasonable adjustments to routines for pupils with additional needs, e.g. SEND, will be made. Consistent and clear language will be used when acknowledging positive behaviour and addressing misbehaviour.

### **Positive staff-pupil relationships**

Positive staff-pupil relationships are key to combatting unacceptable behaviour. The school will focus heavily on forming positive relationships based on predictability, fairness and trust to allow teachers and staff to understand their pupils and create a strong foundation from which behavioural change can take place.

### **Preventative measures for pupils with SEND**

Behaviour will always be considered in relation to a pupil's SEND. If it is deemed that a pupil's SEND has contributed to their misbehaviour, the school will consider whether it is appropriate and lawful to sanction the pupil.

Where a pupil is identified as having SEND, the graduate approach will be used to assess, plan, deliver and review the impact of support being provided.

The school will aim to anticipate likely triggers of misbehaviour and put in place support to prevent these, taking into account the specific circumstances and requirements of the pupil concerned. Measures the school will implement where appropriate can include, but are not limited to, the following:

- Short, planned movement breaks for a pupil whose SEND means they find it difficult to sit still for long (determined by observation and assessment)

- Ensuring a pupil with visual or hearing impairment is seated in sight of the teacher
- Adjusting uniform requirements for a pupil with diagnosed sensory issues or relevant medical condition
- Training for staff in understanding SEND conditions
- Specific SEND resources as set out in their Individual Education Plan / EHCP

### **De-escalation strategies**

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation. This will include:

- Appearing calm and using a modulated, low tone of voice.
- Using simple, direct language.
- Avoiding being defensive, e.g. if comments or insults are directed at the staff member.
- Providing adequate personal space and not blocking a pupil's escape route unless there is a concern for safety of the pupil or others.
- Showing open, accepting body language, e.g. not standing with their arms crossed.
- Reassuring the pupil and identifying an outcome goal.
- Identifying any points of agreement to build a rapport.
- Rephrasing requests where possible made up of negative words with positive phrases, e.g. "if you don't return to your seat, I won't help you with your work" becomes "if you return to your seat, I can help you with your work".

### **Physical intervention**

In line with the school's Physical Intervention Policy, trained members of staff will have the legal right to use reasonable force to prevent pupils from committing an offence, injuring themselves or others, or damaging school property, and to maintain good order and discipline in the classroom.

Physical restraint will only be used as a last resort and as a method of restraint. Staff members will use their professional judgement of the incident to decide whether physical intervention is necessary. The situations in which physical restraint may be appropriate are detailed in the Physical Intervention Policy. Wherever possible, staff will ensure that a second member of staff is present to witness the physical intervention used.

After an instance of physical intervention, a member of the leadership team will be notified, and the pupil's parent will be contacted. Where appropriate, the headteacher may decide to temporarily remove the pupil from the school via a suspension or exclusion. Where suspension is carried out, the pupil's parent will be asked to collect the pupil and take them home for the rest of the day – pupils will not be sent home without the school contacting their parent.

Any violent or threatening behaviour will not be tolerated by the school and may result in a suspension or permanent exclusion. It is at the discretion of the headteacher to determine what behaviour necessitates an exclusion, in line with the Suspension and Exclusion Policy.

When using reasonable force in response to risks presented by incidents involving pupils with SEND or medical conditions, staff will recognise and consider the vulnerability of these groups.

### **Removal from the classroom**

The school may decide to remove pupils from the classroom for a limited period, at the instruction of a member of staff.

The pupil will be moved to a room that is:

- In an appropriate area of the school.
- Has the appropriate resources available.

- Suitable to learn and refocus.
- Supervised by trained members of staff.

The school will only remove pupils from the classroom where absolutely necessary and for the following reasons:

- To maintain the safety and welfare of all pupils and restore stability following an unreasonable level of disruption
- To enable disruptive pupils to be taken to a place where education can continue in a managed environment
- To allow the pupil to regain calm in a safe space

The school will ensure that pupils' health and safety is not compromised during their time away from the classroom, and that any additional requirements, such as SEND needs in line with reasonable adjustments.

The amount of time that a pupil spends removed from the classroom will be up to the school to decide. This could be for more than one school day. The school will ensure that the pupil is not removed from the classroom any longer than necessary.

The staff member in charge and supervising the pupil will decide what the pupil may and may not do during their time spent removed from the classroom. The headteacher will request that the pupil's class teachers set them appropriate work to complete.

The Assistant Headteacher (Behaviour and Attitudes Lead) in agreement with the Headteacher, will establish a clear process for the reintegration of a pupil who has been removed from the classroom when it is deemed appropriate and safe for them to return. Consideration will be given to what support is needed to help the pupil return and meet the expected standards of behaviour. Reintegration meetings will be held between the school, pupil and their parents as required, and other agencies if relevant, where necessary.

Pupils will be permitted to eat during the usual allocated times of the school day for example, snack and lunch and may use the toilet as required. Water will also be available.

## **Reflection**

The school will make it clear to parents and pupils that they are able to use reflection as a sanction to deter future misbehaviour. Reflection will take place during school hours. The use of reflection as a sanction will be applied fairly and consistently, and staff and pupils will be made aware of when it may be used.

All teachers at the school will be permitted to impose reflection on a pupil, unless the headteacher decides to withdraw this power from any teacher. The headteacher may decide to delegate the power to impose reflection to other staff as required.

Parental consent will not be required for reflection and, therefore, the school will be able to issue reflection as a sanction without first notifying the parents of the pupil.

When issuing reflection, members of staff will ensure that they do so reasonably within the given circumstances, and that they consider any additional needs of the pupil. If the reflection is during lunchtime, 25 minutes will be allocated to allow the pupil time to eat, drink and use the toilet.

Reflections will not be issued where there is any reasonable concern that it would compromise a pupil's safety. An alternative and appropriate sanction will be issued instead.

## **8. Sexual abuse and harassment**

The school will promote and enforce a zero-tolerance approach to all forms of sexual abuse and harassment, including sexual harassment, gender-based bullying and sexual violence. The school's procedures for

handling child-on-child sexual abuse and harassment are detailed in the Child Protection and Safeguarding Policy.

The school will respond promptly and appropriately to any sexual harassment complaints in line with the Child Protection and Safeguarding Policy; appropriate steps will be taken to stop the harassment and prevent any reoccurrence. Disciplinary sanctions for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents.

Where the school is responding to a report of sexual violence, the school will take immediate steps to ensure the victim and other pupils are protected. The DSL will work closely with the police, and any other agencies as required, to ensure that any action the school takes, e.g. disciplinary sanctions, will not jeopardise the police investigation.

## **9. Smoking and controlled substances**

The school will follow the procedures outlined in its No Smoking Policy and Pupil Drug and Alcohol Policy when managing behaviour in regard to smoking and nicotine products, legal and illegal drugs, and alcohol.

In accordance with the Health Act 2006, the school is a smoke-free environment. Parents, visitors, staff and pupils will be instructed not to smoke on school grounds. Pupils will not be permitted to bring smoking materials or nicotine products to school. This includes vapes or similar items.

The school will have a zero-tolerance policy on illegal drugs, legal highs and other controlled substances. Where incidents with pupils related to controlled substances occur, the school will follow the procedures outlined in the Pupil Drug and Alcohol Policy and in line with the Child Protection and Safeguarding Policy.

## **10. Prohibited items, searching pupils and confiscation**

Headteachers and staff authorised by them will have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. Authorised members of staff will be permitted to use reasonable force when conducting a search without consent for the prohibited items listed below, in line with the school's Physical Intervention Policy. The prohibited items where reasonable force may be used as detailed in the DfE's 'Searching, Screening and Confiscation' guidance are:

- Knives and weapons.
- Alcohol.
- Illegal drugs.
- Stolen items.
- Tobacco and cigarette papers.
- Fireworks.
- Pornographic images.
- Any article that the member of staff reasonably suspects has been, or is likely to be, used:
  - To commit an offence; or
  - To cause personal injury to any person, including the pupil themselves; or
  - To damage the property of any person, including the pupil themselves.

Pupils will not be permitted to use their mobile phones during the course of the school day in accordance with the Pupils' Personal Electronic Devices Policy. Any pupil found with their mobile phone or using their mobile phone during the school day will have their device confiscated. Staff members will consider whether confiscation is proportionate and consider any special circumstances relevant to the case. The staff member

will contact the parent for carer of the pupil to discuss the incident and arrange for the parents and carers of the pupil to collect the item from the main school office. Additional sanctions may apply.

Mobile phones will be handed in on arrival – pupils will be permitted to access their mobile phones before and after school off site but will be required to hand their phone in at the beginning of the school day to be collected at the end of the school day.

Staff members will have the power to search a pupil or their possessions where they have reasonable grounds to suspect a pupil is in possession of a prohibited item. Mobile phones and similar devices will be items that staff may search for.

The school will also identify the following as prohibited items which may be searched for by authorised staff without consent if necessary; however, reasonable force will not be used under any circumstances:

- E-cigarettes and vapes
- Lighters
- Aerosols
- Legal highs/psychoactive substances
- Energy drinks
- Mobile phones
- Chewing gum

All members of staff can use their power to search without consent for any of the items listed above. Staff will follow the provisions outlined in the school's Searching, Screening and Confiscation Policy when conducting searches and confiscating items.

## **11. Effective classroom management**

Well-managed classrooms are paramount to preventing disruptive and unacceptable behaviour. Effective classroom management will allow staff to:

- Start the year with clear sets of rules and routines that are understood by all pupils.
- Establish agreed rewards and positive reinforcements.
- Establish sanctions for misbehaviour.
- Establish clear responses for handling behavioural problems.
- Encourage respect and development of positive relationships.
- Make effective use of the physical space available.
- Have well-planned lessons with a range of activities to keep pupils stimulated.

Subject to reasonable adjustments, e.g. those made for pupils whose SEND may affect their behaviour, pupils will be expected to follow the school Pupil Code of Conduct, which requires pupils to:

- Conduct themselves around the school premises in a safe, sensible and respectful manner.
- Arrive to lessons on time and fully prepared.
- Follow reasonable instructions given by staff.
- Behave in a reasonable and polite manner towards all staff and pupils.
- Show respect for the opinions and beliefs of others.
- Complete classwork as requested.
- Hand in homework at the time requested.
- Report unacceptable behaviour.
- Show respect for the school environment.
- Behave responsibly with technology both on and off site including when representing the school or attending educational visits

## **Classroom rules and routines**

The school will have an established set of clear, comprehensive and enforceable classroom rules which define what is acceptable behaviour and what the consequences are if rules are not adhered to. Attention is given to how rules are worded, such as the use of positive language rather than negative, e.g. “act respectfully towards your peers and teachers”, rather than “do not act disrespectfully towards your peers and teachers”. Language such as “unacceptable behaviour” will allow the focus of the conversation to be on the behaviour rather than the individual character.

The school will also have an established set of classroom routines to help pupils work well, in the understanding that behavioural problems can arise due to the lack of a consistent routine. This includes teachers ensuring that before lessons begin, they have the full attention of all pupils, then explaining the task clearly so all pupils understand what they are supposed to be doing.

The Leadership Team will ensure all teachers understand classroom rules and routines and how to enforce them, including any sanctions for not following the rules.

Teachers will support pupils to understand and follow classroom rules and routines. Teachers will inform pupils of classroom rules and routines at the beginning of the academic year and revisit these daily. Where appropriate, teachers will explain the rationale behind the rules and routines to help pupils understand why they are needed, and will model rules and routines to ensure pupils understand them. Teachers will also explain clearly to pupils what will happen if they breach any classroom rules to ensure pupils are aware of the sanctions that may be imposed.

To support pupils’ continued awareness and understanding of classroom rules and routines, teachers will reinforce them in a range of ways which may include but not limited to, e.g. placing posters of the rules on classroom walls and providing regular verbal reminders of the routines. Teachers will also ensure that classroom rules and routines remain consistent and are practised throughout the year to create a more productive and enjoyable environment.

All rules outlined in the classroom rules agreement are applicable to pupils’ behaviour elsewhere on the school premises and outside of the school – teachers will ensure that pupils understand this.

Pupils will be supported to be confident in asking for help if they’re struggling to meet expectations of behaviour in the classroom. Individually targeted support will be provided to these pupils when necessary.

## **The classroom environment**

The school understands that a well-structured classroom environment is paramount to preventing poor behaviour. This includes the teacher positioning themselves effectively within the classroom, e.g. wherever possible, teachers avoid standing with their backs to pupils and ensure they have full view of the room at all times.

Teachers will employ strategic seating arrangements to prevent poor behaviour and enable it to be noticed early, this may include but not limited to:

- Seating those who frequently model poor behaviour closest to, and facing, the teacher.
- Seating those who frequently model poor behaviour away from each other.
- Ensuring the teacher can see pupils’ faces, that pupils can see one another, and that they can see the board.
- Ensuring the teacher can move around the room so that behaviour can be monitored effectively.

## **Praise and rewards**

The school will recognise that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. When giving praise, teachers will ensure:

- They define the behaviour that is being rewarded.
- The praise is given immediately following the desired behaviour.
- The way in which the praise is given is varied.
- Praise is related to effort, rather than only to work produced.
- Perseverance and independence are encouraged.
- Praise is only given when a pupil's efforts, work or behaviour need to be recognised, rather than continuously without reason.
- The praise given is always sincere and is not followed with immediate criticism.

Whilst it is important to receive praise from teachers, the school understands that peer praise is also effective for creating a positive, fun and supportive environment. Teachers will encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

As with praise, the school understands that providing rewards after certain behaviour means that pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.
- **Fair** – making sure all pupils are fairly rewarded.

Rewards for good behaviour will include, but are not limited to:

- Verbal praise
- Communicating praise to parents
- Certificates, stickers, small prizes for example stationery, prize ceremonies and special assemblies
- Positions of responsibility, e.g. being entrusted with a particular role or project
- Reward tokens as part of the school's broader reward system.
- Table points as part of the school's broader reward system.

## 12. Effective pupil support

The school recognises that the core purpose of providing alternative provision for pupils who struggle to meet expected standards of behaviour is to successfully integrate them back into the regular classroom environment. Alternative provision may also be required for pupils with additional needs.

Designated staff will have defined responsibilities, enabling pupils to receive the most effective support. Designated staff will also have an accurate view of the needs of identified pupils.

Designated staff will engage with external partners and specialist agencies to access further appropriate support when required.

## 13. Behaviour outside of school premises

Pupils at the school must agree to represent the school in a positive manner. The guidance laid out in the Pupil Code of Conduct will apply both inside school and out in the wider community, particularly if the pupil is dressed in school uniform.

Staff can sanction pupils for misbehaviour outside of the school premises, including conduct online, provided the pupil is:

- Wearing school uniform.
- Travelling to or from school.
- Taking part in any school-related activity.
- In any way identifiable as being a pupil at the school.

Staff may also sanction pupils for misbehaviour outside the school premises, including conduct online, that:

- Could negatively affect the reputation of the school.
- Could pose a threat to another pupil, a member of staff at the school, or a member of the public.
- Could have repercussions for the orderly running of the school.

Any bullying, including cyberbullying, witnessed outside of the school premises and reported to the school will be dealt with in accordance with the Anti-bullying Policy.

The school will impose the same sanctions for bullying incidents and non-criminal misbehaviour witnessed or reported outside of the school premises as would be imposed for the same behaviour conducted on school premises. In all cases of unacceptable behaviour outside of the school premises, staff will only impose sanctions once the pupil has returned to the school premises or when under the supervision of a member of staff.

Complaints from members of the public about the behaviour of pupils from the school are taken very seriously and will be dealt with in accordance with the Complaints Procedures Policy.

## **14. Data collection and behaviour evaluation**

The school will collect data from the following sources:

- Behaviour incident data, including on removal from the classroom
- Attendance, permanent exclusion and suspension data
- Use of pupil support units, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Surveys and pupil voice

The data will be monitored and objectively analysed termly by the Assistant Headteacher (Behaviour and Attitudes Lead) who will share the information with the SLT. Attempts will be made to identify possible factors contributing to the behaviour, any system problems or inadequacies with existing support. The data will also be analysed considering the protected characteristics under the Equality Act 2010 to inform school policies and practice.

Staff will help to paint a whole-school picture of an effective behaviour culture by being held accountable for their part in maintaining the school's behaviour systems and processes.

## **15. Monitoring and review**

This policy will be reviewed by the Senior Leadership Team on an annual basis; they will make any necessary changes and communicate these to all members of staff and relevant stakeholders.

This policy will be made available for Ofsted inspections and reviews by the lead inspector, upon request
