What's On Newsletter - Autumn 1 - 2026-2027

Welcome to our What's On This Term newsletter.

This edition is packed with important dates, exciting events, educational visits and special opportunities taking place across the school in the weeks ahead.

From curriculum enrichment experiences and parent workshops to celebrations, performances and awareness events, there is plenty for our children to look forward to.

We hope this newsletter helps you stay informed and plan ahead as we work together to ensure every child enjoys a successful and memorable term.

Thank you for your continued support. We look forward to sharing these exciting experiences with our school community.

Yours sincerely,
Ms S. Feenan
Headteacher

Autumn Term 2026 Dates

The Autumn Term dates are as follows:

Autumn 1 Term:

Tuesday 01/09/26 - School Closed to Pupils - INSET

Wednesday 02/09/26 - Thursday 22/10/26

Friday 23/10/26 - School Closed to Pupils- INSET

Half Term

Monday 26/10/26- Friday 30/10/26

Autumn 2 Term:

Monday 02/11/26 - Friday 18/12/26

Christmas Holidays Term

Monday 21/12/26 - Friday 01/01/27

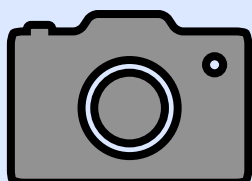

Pupils return to school after the Christmas Holidays on Monday 4th January 2027.

School Photograph Day 2026

School photograph day for all pupils will take place on Tuesday 29/09/26. Photographs will be viable to purchase through our provider.

Further information will be sent out on Arbor by the School Admin team.

Sign up to our website calendar and receive dates direct to your mobile phone calendar!

Sign up to our digital calendar at:

<https://barlowsprimary.co.uk/events/>

Select "subscribe to calendar" underneath the calendar image and select your calendar type.

Year 6 Liverpool Secondary School Application Deadline

A reminder that the Year 6 to Year 7 admissions transfer application window is open. The window will close at 11:59pm on 31/10/26.

Please ensure you have applied for your child's secondary school place (current Year 6 pupils only) by 11:59pm on 31/10/26.

Applications are to be made using the link below:
www.liverpool.gov.uk/admissions

Children's University Au 1

Children's University Clubs

Children's University Clubs commence 14/09/26 and will run until the end of this half term (Thursday 22/10/26).

These clubs represent a wonderful opportunity for our pupils to engage in a variety of extra-curricular activities that are designed to extend their knowledge and experiences outside of the standard curriculum.

The extra-curricular activities will be delivered by our dedicated school staff, who generously give up their time to provide these enriching experiences. We are pleased to offer a range of activities that cater to different interests and encourage our pupils to explore new areas of learning.

Please be advised that places for each activity are limited. Therefore, it is crucial that you inform us if your child no longer wishes to participate in the activity they have been offered. This will allow us to extend the opportunity to other pupils who may be on the waiting list.

It is important to note that while we encourage children to express their interest in participating in after-school activities, a place is not guaranteed unless you receive confirmation via Arbor. We continuously monitor club allocations to ensure that places are offered fairly to all pupils throughout the academic year.

Should you have any questions or require further clarification regarding the University Clubs, please do not hesitate to contact Deputy Head, Mrs Kirby-Foy, via the school office.

Thank you for your continued support. We look forward to another successful half term of engaging activities

Events in September 2026

Year 4 - National Archives Online Treasures - Historical Enquiry Skills Monday 14/09/26

Year 4 will be taking part in an exciting online workshop with the National Archives, where they will become history detectives and explore fascinating historical treasures from the past.

During the session, pupils will develop their historical enquiry skills by examining original sources, asking questions, analysing evidence, and drawing conclusions about life in different periods of history.

This engaging experience will help bring history to life while encouraging curiosity, critical thinking, and investigative learning. We look forward to sharing what our young historians discover!

Reception - Balanceability Tuesdays in September 2026 and October 2026

We are pleased to announce that our Reception Class will be engaging in a series of Balanceability sessions as part of their PE lessons. These sessions, expertly delivered by coaches from LSSP, aim to enhance children's essential balance skills.

Balanceability is a foundational programme designed to prepare young learners for riding a bicycle. During these dynamic lessons, children will develop not only their physical coordination but also their confidence as they encounter various balancing activities. By mastering these skills early on, our students will significantly improve their readiness for cycling.

Fair Trade Fortnight Barlows' Awareness Raising Week - WC 28/09/26

Our School Council are proud to be leading this year's Fairtrade Fortnight, helping to raise awareness of how Fairtrade supports farmers and producers around the world.

Pupils will take part in a range of activities designed to explore global citizenship, ethical trade, and the importance of making responsible choices.

The School Council will be sharing information in assemblies, leading discussions, and encouraging everyone to think about how small actions can make a big difference.

We are excited to celebrate Fairtrade values together and inspire our pupils to become informed and compassionate global citizens.

FAIRTRADE

Year 5 and 6 - Bikeability Week commencing 07/09/26 and Week commencing 14/09/26

We are delighted to offer our Year 5 and Year 6 pupils, who have not yet completed the course previously, an opportunity to complete Level 1 and Level 2 Bikeability training with BikeRight. The sessions take place on the Barlows site and in the local community with a focus on safe travel for pupils.

Pupils should be able to ride unaided (without the support of stabilisers) to qualify for the sessions. Pupils are also required to have a roadworthy bicycle and helmet to use for the sessions.

If you believe your child would benefit from these sessions and can ride unaided but does not have a bicycle or a helmet, please contact the school office to see how we can support participation with a small number of bicycles and helmets available to borrow from BikeRight.

Further information is available via Arbor. Please note that this is now an 'Opt Out' opportunity - if you not wish for your child to take part, please contact the school office to notify the school.

Events in September 2026

Meet the Team Sessions for Parents and Carers

We are delighted to invite parents and carers to our Meet the Team sessions, led by our Phase Leaders.

These sessions provide a wonderful opportunity to learn more about the curriculum, expectations, key events, and learning experiences planned for the year ahead.

Parents and carers will have the chance to meet the staff who lead each phase and the team for the phase, ask questions, and find out how we can work together to support every child's success.

We look forward to welcoming you and strengthening our partnership between home and school.

Year 5 and Year 6 - 21/09/26

Year 3 & Year 4 - 23/09/26

Year 5 Royal Court Liverpool Theatre Visit Backstage Class Monday 21/09/26

In September, our Year 5 pupils will be visiting the Royal Court Theatre, Liverpool, where they will gain invaluable insights into the behind-the-scenes world of theatre production. The children will take part in the 'Backstage Class' workshop, providing access to areas typically unseen by the public.

During the visit, students will have the unique opportunity to meet various professionals from the theatre industry, including stagehands, sound engineers, and set designers, who will share their expertise and experiences. Children will also get the chance to stand on stage at the famous theatre to envision the life of a performer followed by a live Q&A session with industry professionals.

Further details will follow via Arbor from the class teacher.

Year 4 Museum of Liverpool Visit River Mersey: Gateway to the World Workshop Tuesday 22/09/26

In September, our Year 4 pupils will be visiting the Museum of Liverpool to further develop their understanding on their Geography topic - Rivers.

In the River Mersey: Gateway to the World workshop, students will discover how Liverpool became one of the world's great ports and how this shaped the city of today. Children will explore the trade goods wall to identify examples of imports and exports to and from Liverpool. They will explore the significance of the geographical location of our city and the River Mersey as well as use their locational knowledge to identify the source locations of the traded goods.

Further information will follow via Arbor from the class teachers.

Introducing Pageticker! Workshop for parents and carers - EYFS & KS1

We are excited to introduce PageTicker, our new digital reading platform that allows parents and carers to record and track their child's reading digitally at home.

Mrs Taylor will be introducing and demonstrating PageTicker during our 'Meet the Team' sessions in the week commencing 21/09/26. This will give parents and carers an opportunity to see how the platform works, ask any questions and learn how to log their child's reading successfully.

What is PageTicker?

PageTicker is an easy-to-use online reading platform where parents/carers and children can log reading completed at home. This could include:

- School reading books
- Library books
- Books read independently
- Books shared with an adult
- Comics and magazines

Further sessions will take place on:
28/09/26 - EYFS & KS1 at 3:40pm

Events in September 2026

CUSP Money Matters Festival WC 28/09/26

As part of our commitment to developing real-world knowledge and life skills, pupils will be taking part in the CUSP Money Matters Festival.

Throughout the week, children will explore important financial concepts in an engaging and age-appropriate way, including saving, spending, budgeting, and making informed choices.

Through lessons, discussions, and practical activities, pupils will build their understanding of money and develop the skills needed to become confident and responsible citizens.

We look forward to seeing our learners apply their knowledge and share what they have discovered about managing money wisely.

Year 6 Mini Medics Wednesday 30/09/26

Our Year 6 pupils will be learning vital First Aid skills, in a session delivered to them by Elevate, on Wednesday 30th September.

During the course, students will develop their knowledge of first aid kits, the recovery position, CPR, wounds and bleeding and more as well as how to keep themselves safe whilst caring for others.

The sessions will take place at school.

Year 3 Gaudi - Local Area Visit - Geography Wednesday 30/09/26

Year 3 are looking forward to their Gaudí Local Area Visit, where they will put their geography learning into practice by exploring the area around our school.

During the visit, pupils will investigate different types of land use, observe how spaces are used within the local community, and develop their fieldwork skills. They will also learn how to use compass points to identify and describe locations and directions.

This hands-on experience will help children develop a deeper understanding of their local environment while building confidence in key geographical skills.

Key Stage 2 – National Literacy Trust Poems for Remembrance Online Workshop with Alan "Kurly" McGeachie

Our Key Stage 2 pupils are excited to take part in the National Literacy Trust's Poems for Remembrance online workshop, led by renowned poet and performer Alan "Kurly" McGeachie.

Through poetry, storytelling, and discussion, children will explore the importance of remembrance and reflect on themes such as courage, sacrifice, and hope.

The workshop will inspire pupils to express their thoughts and emotions creatively while developing their reading, writing, and speaking skills. We look forward to seeing the thoughtful and imaginative responses produced by our young poets following this special event.

Children's University Parent/Carer Workshop Wednesday 30/09/26

We are delighted to invite parents and carers to our Children's University Parent Workshop. This session will introduce you to the exciting opportunities available through Children's University and show how your child can gain recognition for learning beyond the classroom.

Join us to learn how the programme works, how to access learning activities, and how you can support your child in developing new skills, confidence, and a love of lifelong learning. We will also explain the Children's University Passport to Learning and celebrate the many ways children can earn credits through enriching experiences at home, school, and in the community.

Events in October 2026

Maths Together - Practical Parent Workshops and Live Lessons

Would you like to feel more confident supporting your child with maths at home? Join our interactive Maths Together sessions, led by our Maths Lead, Mr Allinson, where parents and carers can explore the methods, resources and strategies used throughout school.

These practical, live workshops are open to all parents and carers, and you are welcome to bring your child along if you wish. During each session, we will work through engaging examples and activities from EYFS through to Key Stage 2, making them suitable for families with children of any age.

You'll have the opportunity to try out a range of hands-on resources, ask questions, and learn simple ways to support learning at home. Best of all, every parent or carer attending will receive a **free resource pack** to take away and use with their child at each session.

Whether you're looking for a refresher or simply want to find out how maths is taught in school today, we'd love to see you there!

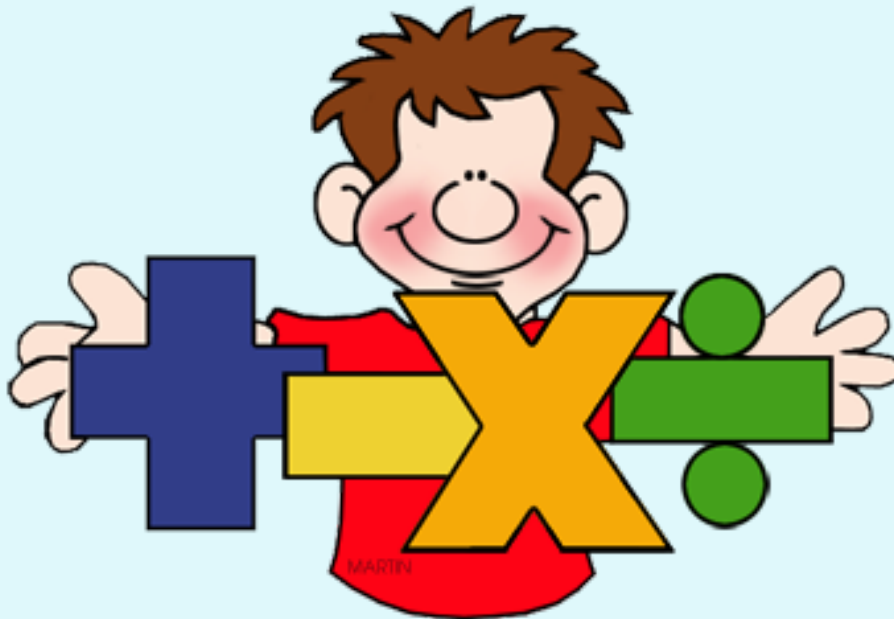

Monday 05/10/26 3:40pm and 5:10pm - Number facts and modelling with resources

Thursday 08/10/26 3:40pm and 5:10pm - Multiple ways with addition

Monday 19/10/26 3:40pm and 5:10pm - Multiple ways with subtraction

Monday 2/11/26 3:40pm and 5:10pm - Multiple ways with multiplication

Wednesday 4/11/26 3:40pm and 5:10pm - Multiple ways with division

ADDvanced Solutions Community Network Sessions for Parents and Carers

What's on in Liverpool

Autumn Term 2026

ADDvanced Solutions Community Network

supports the emotional health and wellbeing of neurodivergent children and young people, their families and the professionals that work with them. **No diagnosis or referral is needed to access the offer.**

Autism Learning Programme - Face-to-Face

This Autism Learning Programme has been designed to support and empower parents and carers in their understanding of how autism is experienced by children and young people, providing learning, guidance and strategies to better support your child/young person. The programme is for Liverpool and Sefton parents and is in partnership with Alder Hey NHS Trust, commissioned by NHS Cheshire & Merseyside. Priority will be given to those whose child or young person has received a diagnosis of autism but places will also be offered to those who are waiting. **Please select the appropriate programme specific to the age of your child:**

Preschool and Primary (3-10 Years) or Tweens and Teens (11-18 Years)

ADHD Learning Programme

Our new learning programme for Liverpool families is designed for parents and carers whose child or young person has a diagnosis of ADHD. Subject to availability, places may be available to those whose child is under assessment for ADHD.

The ADHD Learning Programme equips parents and carers with a greater understanding of ADHD and its impact on children and young people. We will share practical strategies that can be used to support the challenges and promote positive outcomes. The programme provides support around:

- Recognising the different presentations of ADHD
- Understanding the impact on everyday life
- Sharing a diagnosis and talking to your child or young person about their ADHD
- Supporting mental health and wellbeing
- Exploring medication, strategies, interventions and lifestyle choices
- Managing everyday challenges of ADHD at home and in school
- Latest research, legislation and support services

Online Programme - Thursday Evenings

Sensory Processing Difficulties Awareness Training

This training helps parents and carers to understand sensory processing difficulties, emotional regulation and praxis with sensory strategies to better support their child or young person. Delivered in partnership with an Occupational Therapist Advanced Practitioner in Sensory Integration.

Eating Difficulties Awareness Training

Our Eating Difficulties Awareness Raising Training helps parent and carers to understand how our senses are involved in eating, why neurodiverse children and young people may struggle during mealtimes and the importance of having a consistent, structured and functional mealtime routine. Come along and gain strategies to help your child presenting with eating difficulties.

Please ensure that you have attended our Sensory Processing Difficulties Training before you attend our Eating Difficulties Training as this provides the basis recommended for this course.

Please contact us to reserve your free place on our next available Sensory Processing Difficulties (SPD) or Eating Difficulties Awareness Raising Training

Call our office on 0151 486 1788 or email us on info@advancedsolutions.co.uk

No referral or diagnosis is needed.

Events in October 2026

National Poetry Day Thursday 01/10/26

To celebrate National Poetry Day, Mrs Taylor will be leading a range of exciting poetry activities across the school, inspiring children to explore the power of words and self-expression.

Pupils will enjoy reading, performing, and creating their own poems while discovering different styles and techniques used by poets. The day will encourage creativity, imagination, and a love of language, giving children the opportunity to share their ideas and celebrate poetry together.

We look forward to seeing our young poets shine and hearing some of their wonderful creations.

Introducing Pageticker! Workshop for parents and carers - KS2

We are excited to introduce PageTicker, our new digital reading platform that allows parents and carers to record and track their child's reading digitally at home.

Mrs Taylor will be introducing and demonstrating PageTicker during our 'Meet the Team' sessions in the week commencing 21/09/26. This will give parents and carers an opportunity to see how the platform works, ask any questions and learn how to log their child's reading successfully.

What is PageTicker?

PageTicker is an easy-to-use online reading platform where parents/carers and children can log reading completed at home. This could include:

- School reading books
- Library books
- Books read independently
- Books shared with an adult
- Comics and magazines

Further session will take place on:
01/10/26 - KS2 at 3:40pm

Year 6 Educational Visits to Apple October 2025

We are pleased to announce a series of educational visits for our Year 6 students to participate in Apple's Learn to Code workshops.

These visits are scheduled to take place in groups of 15 students per visit as follows:

- Thursday 01/10/26 (morning session) Y6 15 students
- Tuesday 20/10/26 (morning session) Y6 15 students
- Tuesday 03/11/26 (morning session) Y6 15 students
- Tuesday 10/11/26 (morning session) Y6 15 students

During this hands-on session, children will be introduced to the fundamentals of coding through fun, interactive challenges using Apple's Swift Playground app.

The workshop is designed to develop computational thinking, problem-solving, creativity, and resilience, while giving pupils an insight into the world of computer programming. Guided by Apple team members, children will have the opportunity to create code, experiment with new ideas, and build confidence in their digital skills.

This engaging experience supports the computing curriculum and aims to inspire the next generation of innovators, creators, and technology leaders. We are looking forward to a fun and educational day of learning outside the classroom.

Y5/6 Positive Footprints Career Conversations: Daniel Geey - Sports Lawyer and Author

As part of our Careers Education, Daniel Geey, sports lawyer and bestselling author, will deliver an online career conversation with our Year 5 and Year 6 pupils.

During this inspiring session, Daniel will share insights into his career in sport, explain the role of a sports lawyer, and discuss the skills, determination, and opportunities that helped him achieve his goals. Our pupils will have the opportunity to contribute to a Q&A session with Daniel to find out more!

Events in October 2026

Black History Month October 2026

Throughout Black History Month, pupils will take part in a range of learning experiences that celebrate the achievements, contributions, and rich histories of people in the UK and around the world.

Through classroom activities, stories, discussions, and curriculum enrichment, children will explore significant individuals, events, and cultures that have helped shape our society.

This important month encourages reflection, respect, and understanding while promoting our school values of inclusion, equality, and diversity. We look forward to celebrating the many voices, stories, and achievements that make our communities stronger.

World Space Week WC 05/10/26

Get ready for World Space Week!

Throughout the week, pupils will explore the wonders of space, science, technology, and discovery through a range of exciting learning activities.

Children will learn about planets, stars, astronauts, and space exploration while developing their curiosity about the universe beyond Earth. World Space Week will inspire pupils to think big, ask questions, and discover how science and innovation help us understand our world and beyond.

Y6 LSSP Intraschool Competition – Dodgeball Friday 02/10/26

Our Year 6 pupils will have the exciting opportunity to take part in an intraschool dodgeball competition organised by LSSP. This fun and active event will allow children to develop their teamwork, communication, agility, and strategic thinking skills while competing in a friendly and supportive environment.

The session will take place on site at school and pupils will be required to wear their PE Kit. A reminder will be sent out via Arbor.

Year 6 Residential - CHET Monday 05/10/26 - Wednesday 07/10/26

Our Year 6 pupils are looking forward to an exciting residential visit to CHET, where they will take part in a wide range of adventurous outdoor activities designed to challenge, inspire, and build confidence. Throughout the visit, children will enjoy activities such as climbing, archery, team-building challenges, raft building, crate stacking and problem-solving tasks, all led by experienced instructors in a safe and supportive environment.

The residential provides a fantastic opportunity for pupils to develop resilience, independence, teamwork, and leadership skills while creating lasting memories with their classmates. By stepping outside their comfort zones and embracing new experiences, children will strengthen their confidence and learn the importance of cooperation, perseverance, and positive risk-taking. We are sure this will be a rewarding and unforgettable experience for all.

Events in October 2026

Harvest Festival and Foodbank Collection for North Liverpool Foodbank Monday 05/10/26 - Friday 09/10/26

Our School Council are proud to be leading this year's Harvest Festival, helping our school community come together to support others through the spirit of generosity and kindness. During the week commencing Monday 5th October 2026, we will be collecting donations for North Liverpool Foodbank.

We would be grateful for donations of the following items: tinned meat or fish, tinned vegetables, microwave rice, noodles, pasta, curry sauces, coffee, tea, UHT milk, tinned spaghetti, long-life fruit juice, tinned rice pudding, jam, instant mashed potato, and Pasta 'n' Sauce.

Harvest is a wonderful opportunity for pupils to reflect on the importance of helping those in need and making a positive difference in our local community. We thank all families in advance for their kindness and support, and we look forward to making our collection a great success.

Year 6 Residential - CHET Monday 05/10/26 - Wednesday 07/10/26

Our Year 6 pupils are looking forward to an exciting residential visit to CHET, where they will take part in a wide range of adventurous outdoor activities designed to challenge, inspire, and build confidence.

Throughout the visit, children will enjoy activities such as climbing, archery, team-building challenges, raft building, crate stacking and problem-solving tasks, all led by experienced instructors in a safe and supportive environment.

The residential provides a fantastic opportunity for pupils to develop resilience, independence, teamwork, and leadership skills while creating lasting memories with their classmates.

By stepping outside their comfort zones and embracing new experiences, children will strengthen their confidence and learn the importance of cooperation, perseverance, and positive risk-taking. We are sure this will be a rewarding and unforgettable experience for all involved.

Year 2, Year 4 & Year 5 Children's University Masterclass - Living With a Star Tuesday 06/10/26

What is that huge, glowing ball in the sky that we call "the Sun"? Professor Robert Walsh, a solar physicist, will use some of the latest images and movies from space to help children understand how important our closest star is for life on Earth.

Reception, Year 1 & Year 2 Author Visit Assembly - Jude Lennon Friday 06/10/26

We are delighted to welcome children's author Jude Lennon to school for a special visit with our Reception, Year 1 and Year 2 pupils.

During this exciting event, Jude will share her stories, talk about her journey as an author, and inspire children to develop a love of reading and writing.

Jude's books are available to purchase at a special price of £7 each, including a personalised message to your child. If you wish to purchase a copy, please contact or visit the school office.

Events in October 2026

Phonics and Early Reading Sessions for Parents and Carers **Monday 05/10/26 & Wednesday 07/10/26 at 3:45pm and 5:15pm**

As we continue to prioritise the development of strong foundational skills in literacy for our pupils, I am pleased to announce an upcoming Phonics and Early Reading session specifically designed for parents and carers.

The sessions are as follows:

- Monday 05/10/26 at 3:45pm-4:30pm - Reception Parents and Carers
- Monday 05/10/26 at 5:15pm-6:00pm - Reception Parents and Carers
- Wednesday 07/10/26 at 3:45pm-4:30pm - Year 1 and Year 2 Parents and Carers
- Wednesday 07/10/26 at 5:15pm-6:00pm - Year 1 and Year 2 Parents and Carers

The aim of this event is to provide you with valuable insights into our phonics programme, including the methods and strategies we employ to encourage early reading skills among our pupils.

Phonics is a vital component of our literacy curriculum, as it establishes the relationships between letters and sounds. A robust understanding of phonics enables children to decode words and develop their reading fluency. During the session, we will demonstrate various activities that you can engage in at home to reinforce these essential skills, ensuring your child's reading journey is both enjoyable and effective.

We encourage all parents and carers to attend, as your involvement plays a crucial role in your child's learning process. Supporting phonics development at home can significantly enhance your child's confidence and enjoyment of reading.

If you have any questions or require further information, do not hesitate to reach out. Thank you for your continued support. We look forward to seeing you at the session.

Year 3 Visit to Museum of Liverpool **Stone Age, Bronze Age and Iron Age Britain** **Workshop** **Tuesday 06/10/26**

During the workshop pupils will be able to touch objects including a flint axe that was made by early humans up to 500,000 years ago, a polished axe head from the Neolithic period (more than 4000 years old), farming and fishing tools made from bone and deer antler, flint arrow heads, stone, bronze and iron axe heads, bone sewing needles, a stone quern that was made during the Bronze Age (more than 2500 years old), and many more objects to help pupils discover everyday life during these periods.

Pupils will take on the role of archeologists and gain insight to the careers available at a museum.

Further information about the trip will follow on Arbor.

Nursery - Year 2 **Visit from Fazakerley Library Librarian** **Thursday 08/10/26**

On Thursday 08/10/26, our pupils from Nursery to Year 2 will enjoy a special visit from a librarian, who will share a selection of exciting stories and bring books to life through engaging storytelling.

This fun session aims to inspire a love of reading, spark imagination, and encourage children to explore the world of books.

Events in October 2026

ASD Coffee Morning Thursday 08/10/26

The ASD training team will be in school for a free Face to Face question and answer session for any parents who have children with social communication or interaction concerns or issues.

The session is open to parents/carers who have children waiting to be assessed for ASD or already have a diagnosis. This is a fantastic opportunity to speak to professionals to discuss any advice and questions you may have.

Further information will follow via Arbor

Year 4 The Old Dock Tour Thursday 08/10/26

As part of their enrichment activities linked to their Geography unit on rivers.

During the visit, the children will take a trip below Liverpool One to visit and learn about the historic dock of Liverpool, shipping trade and conditions at the original dock site in Liverpool.

This is an exciting opportunity that we are sure the children will enjoy!

Parent Nurture Group Fridays starting on 09/10/26

We are pleased to announce the launch of our second Parent Nurturing Programme, which is designed to provide support and guidance for families facing challenges at home with their children.

This initiative will be led by experienced staff members from Barlows Primary School – Mrs A M Berry and Mrs K Williams – and will commence from 9th October 2026 for eight sessions this term.

The programme offers a supportive atmosphere, where parents and carers can engage in meaningful activities. Our aim is to create a space where you can connect with other families, share experiences, and acquire valuable strategies to navigate the complexities of parenting.

We are able to accommodate up to at least 10 families for this enriching experience, and we are delighted to inform you that there is no cost associated with participation.

The sessions are structured to promote engagement and will provide practical tools that can be beneficial in your role as a parent or carer. The dates for the sessions are as follows:

- Friday 9th October 2026
- Friday 16th October 2026
- Friday 23rd October 2026
- Friday 6th November 2026
- Friday 13th November 2026
- Friday 20th November 2026
- Friday 27th November 2026
- Friday 4th December 2026
- Friday 11th December 2026

Further information will follow on Arbor.

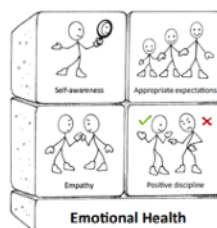

What is the Nurturing Programme?

Children are rewarding, stimulating and fun, but looking after them can be stressful and challenging.

The Nurturing Programme helps deal with those challenges so that you can have a calmer, happier life.

A tried and tested programme, it helps us think about what we do, why we do it and how it makes us feel.

The Four Constructs of the Nurturing Programme

What does it cover?

Over the 10-week Programme, you will look at lots of different topics, including:

Understanding why children behave as they do

Recognising the feelings behind behaviour (ours and theirs)

Exploring different approaches to discipline

Finding ways to develop co-operation and self-discipline in children

Learning the importance of looking after ourselves

Practical information

Partners are welcome and it's also fine to come on your own or with a relative or friend

There are ten 2-hour sessions with a tea and coffee break

8-10 parents are invited and there are two trained group leaders

Some groups provide a creche; check with group leaders beforehand

You need to come to all ten sessions as they fit together like a puzzle

Events in October 2026

SEND Parent / Carer Meetings with SENDCO Week Commencing 12/10/26

As part of our ongoing commitment to supporting all children in their learning and development, our Special Educational Needs and Disabilities Coordinator (SENDCo), Mrs Berry, will be offering parent/carers meetings for parents and carers of pupils on the SEND register and also any parent or carer whose child may not be identified as on the SEND register but wish to discuss possible SEND needs during the week commencing 12/10/26.

These meetings present a valuable opportunity for parents and carers to engage with our SENDCO, who is dedicated to ensuring that each child receives the appropriate support tailored to their individual needs.

During these meetings, we will discuss strategies and interventions that can facilitate your child's learning and address any concerns you may have regarding their progress.

We encourage all parents and carers of children with special educational needs to attend these meetings where possible. Your involvement is crucial in fostering a collaborative approach to support your child's educational journey. The sessions will provide an environment in which you can ask questions, share experiences, and receive tailored advice concerning your child's needs.

Further details of how to book an appointment will be sent out in due course. We look forward to seeing you at the SENDCO meetings.

The Big Draw Festival October 2026

This year, we are delighted to be taking part in The Big Draw Festival 2026, a worldwide celebration of drawing, creativity, and self-expression.

"The Big Draw Festival is the world's biggest celebration of drawing and it takes place across the globe every year from 1-31 October.

Since its launch in 2000, The Big Draw Festival has championed drawing as a universal language and a powerful tool for learning, self-expression, and innovation.

The Big Draw Festival is made up of thousands of drawing activities that connect people of all ages with schools, galleries, museums, libraries, heritage sites, village halls, refugee organisations, outdoor spaces, artists, scientists, designers, illustrators, inventors and each other."

Throughout the festival, pupils will explore how drawing can be used to communicate ideas, solve problems, tell stories, and develop imagination across a wide range of subjects.

Through exciting creative activities, children will be encouraged to experiment, take risks, and enjoy the process of creating.

We look forward to showcasing our pupils' artistic talents and celebrating the joy of drawing as a powerful tool for learning, creativity, and wellbeing.

Events in October 2026

Musical Mondays – Alice Phelps – Classical Crossover Double Bassist and Vocalist Monday 12/10/26

Alice Phelps is a talented double bassist, vocalist, and composer who creates imaginative, genre-blending music that inspires curiosity and creativity. Performing under the name Phellotape, she also works with a number of acclaimed orchestras and ensembles.

During the session, led by our music partner - Resonate, pupils will learn about Alice's career as a professional musician, discover the unique sounds of the double bass, and gain an insight into how music can be used to tell stories and express ideas. This promises to be an inspiring opportunity to explore the world of music from the classroom.

Making Maths Matter: A Parent Workshop for Families Monday 12/10/26 at 3:40pm - KS2 Families Wednesday 14/10/26 at 3:40pm - EYFS & KS1 Families

We are excited to be taking part in the National Numeracy Schools and Families Programme, an initiative designed to help children and their families develop confidence and enjoyment in maths. Throughout the programme, families are encouraged to take part in engaging maths activities, provided by school, to promote discussion around maths at home.

To launch the programme, we will be holding a family workshop, where parents and carers can discover practical ways to support their child's mathematical learning at home. Families will also be invited to enjoy a series of fun homework challenges and activities that encourage children and adults to work together, explore maths in real-life situations, and celebrate their progress.

We look forward to working with families to help every child develop the confidence and skills they need to succeed in maths and beyond.

EU Coding Week Week Commencing 12/10/26

We are excited to be taking part in EU Code Week, a celebration of coding, digital creativity, and problem-solving.

Throughout the week, pupils will engage in a variety of fun and interactive activities designed to develop their understanding of computer science and computational thinking. From programming and debugging to creating digital projects, children will explore how technology shapes the world around us while building valuable skills for the future.

EU Code Week is a fantastic opportunity to inspire creativity, resilience, and innovation, and we look forward to seeing our pupils become confident young coders.

Year 5 and Year 6 Knife Crime Class Assemblies - PCSOs Wednesday 14/10/2026

Year 5 and Year 6 pupils will take part in an important Knife Crime Awareness Assembly delivered by our local PCSOs. Through age-appropriate discussions, pupils will learn about the dangers and consequences associated with carrying knives, as well as the importance of making safe and responsible choices.

The session will encourage children to think about personal safety, peer pressure and where to seek help if they are worried about themselves or others. This valuable assembly will help pupils develop confidence, resilience and an understanding of how they can contribute to keeping themselves and their communities safe.

Key SATs 2 SATs Parent Information Meeting Thursday 15/10/26

We would like to invite all Year 6 parents and carers to our SATs Information Meeting, where we will share important information about the Key Stage 2 SATs assessments taking place later this academic year.

The session will provide an overview of the tests, explain how children are being prepared in school, and offer practical advice on how families can support learning and wellbeing at home.

There will also be an opportunity to ask questions and gain a better understanding of what to expect in the months ahead.

Events in October 2026

View and Order CGP Books at School Discounted Rates Tuesday 13/10/26 - 3:40pm and 5:10pm

We're pleased to offer families the opportunity to purchase a range of CGP Booster and Revision Books for all year groups. These popular books provide engaging activities, clear explanations, and practical practice questions to help reinforce learning at home.

Parents and carers are invited to view the available titles and select resources that best support their child's learning journey, with advice available from teachers, in the school hall.

Whether your child would benefit from extra practice, revision support, or additional challenges, there is a CGP book to suit every stage. We encourage families to take a look and make the most of these valuable learning resources.

Year 6 - Build a Canal Workshop - Rivers and Canals Trust Tuesday 20/10/26

Year 6 pupils will take part in an engaging 'Build a Canal' workshop delivered by the Rivers and Canals Trust.

Working collaboratively in teams, the children will explore the fascinating history and engineering behind Britain's canals before putting their knowledge into practice by designing and constructing their own model canals to support their learning in Design Technology this term.

Liverpool Maths Party Friday 16/10/26

Our pupils are excited to take part in the Liverpool Maths Party, a fun-filled celebration of maths that brings learning to life through exciting challenges, puzzles, games, and hands-on activities.

The event, which will be led by our maths lead, Mr Allinson, encourages children to explore maths in a creative and enjoyable way, helping them to build confidence and develop problem-solving skills.

Children will have the opportunity to collaborate, think creatively, and celebrate the joy of mathematics in a lively and engaging environment. We look forward to hearing all about their mathematical adventures!

Year 6 - Visit to Stanley Dock - Rivers and Canals Trust Wednesday 21/10/26

Following on from their 'Build a Canal' workshop in school, our Year 6 pupils will visit Stanley Dock to explore its historic architecture, engineering, and innovative design features.

During the visit, children will investigate how structures are designed and built, gaining inspiration from one of Liverpool's most iconic waterfront locations. The experience will provide valuable real-world links to their DT studies, encouraging pupils to think creatively, solve problems, and consider how design meets both practical and aesthetic needs.

We are sure this fascinating visit will deepen their understanding and inspire their own design projects back in the classroom.

Year 5 - Visit to Sefton Park Palm House Wednesday 21/10/26

As part of their Geography learning, our Year 5 pupils will visit the iconic Sefton Park Palm House to develop their understanding of biomes and the diverse environments found around the world. During the visit, children will explore a wide variety of plants from different climates and discover how living things adapt to their surroundings.

This exciting hands-on experience will bring classroom learning to life, helping pupils to deepen their knowledge of ecosystems, climate zones, and biodiversity.

Spooky Autumn Events 2026

Barlows Annual Pumpkin Carving Competition **Wednesday 21st October 2026**

Are you an expert at pumpkin carving or are keen to have a go? Get involved in our Pumpkin carving competition!

How to enter

To take part and enter the competition, send your carved pumpkin in to school on Wednesday 21st October 2026. Please remember to include your child's name and class with their pumpkin.

Come and see the entries and vote for your favourite!

The pumpkins will be put on display in the school hall, ready for you to view from 3:30pm to 4:15pm. (Pumpkins can then be taken home on the Thursday).

Certificates

Certificates will be awarded for winning entries, so remember to include your name or family name if it is a group effort!

Voting

At the viewing (Wednesday 21/10/26 3:30pm-4:30pm) you will be given a slip of paper to vote for your favourite designs. The winner will be revealed on Thursday 22/10/26.

Halloween Disco - Reception, Year 1 & Year 2 **Thursday 22/10/26, 4:30pm-5:30pm**

As part of our fundraising activities we will be holding a Halloween disco for Reception, Year 1 & Year 2 on Thursday 22/10/26, 4:30pm-5:30pm.

Entry is £1 per pupil - Fancy dress is welcome but not essential.

Halloween Disco - Year 3, Year 4, Year 5 and Year 6 **Thursday 22/10/26, 5:30pm-7:00pm**

As part of our fundraising activities we will be holding a Halloween disco for Year 3, Year 4, Year 5 and Year 6 on Thursday 22/10/26, 5:30pm-7:00pm

Entry is £1 per pupil - Fancy dress is welcome but not essential.

A tuck shop will be available - maximum spend £2

Total number of staff days for the academic year = 195

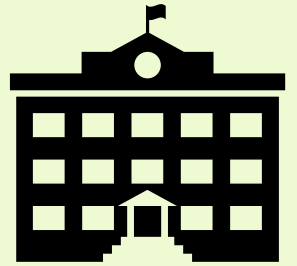

Reminders

Attendance Reminder

As a school community, we are committed to providing the best possible education for our students. A crucial aspect of this commitment is ensuring that students attend school regularly and punctually. Research consistently demonstrates that good attendance is directly linked to academic success and overall well-being.

Every day at school brings valuable learning opportunities, and it is vital that each child participates fully in their education. Regular attendance not only enhances individual learning but also contributes to a positive and engaging classroom environment.

If your child is unwell and unable to attend school, we kindly ask that you notify us before 8:30am on the morning of their absence. This will enable us to keep accurate records and ensure that we can provide appropriate support for your child.

Punctuality Reminder

Our school day officially begins at 8:45 am, providing students with a chance to settle in and prepare for lessons that commence promptly at 9:00 am.

Punctuality is crucial as it not only sets a positive tone for the day but also demonstrates respect for the learning environment and the educational process.

Arriving on time allows students to engage fully with their lessons and fosters a commitment to their own academic success.

We have observed that a small number of students are arriving after 9:00 am, which can cause disruption not only to their own learning but also to that of their peers.

Late arrivals often miss important instructions and can find it challenging to integrate smoothly into ongoing activities. Consequently, it is essential that we work together to encourage students to arrive at school with ample time to spare.

To support your child in gaining the habit of punctuality, we recommend the following strategies:

Routine Setting: Establishing a consistent morning routine will help your child prepare for the school day and ensure they arrive on time. This may include setting earlier wake-up times and organising belongings the night before.

Travel Arrangements: Please review your child's travel arrangements to ensure they allow sufficient time to reach school before the start of lessons.

Positive Reinforcement: Recognising and celebrating instances of punctuality can motivate your child to maintain this habit.

We kindly ask for your cooperation in reinforcing the importance of punctuality with your child. Together, we can ensure that every student has the best possible opportunity to thrive in their educational journey.
